REQUEST FOR EXPRESSION OF INTEREST

SELECTION OF EDUCATIONAL INSTITUTIONS TO UPDATE THE ANGOLA ENTOMOLOGICAL MAP PROVIDING INFORMATION ON THE EPIDEMIOLOGICAL SITUATION OF VECTOR BORNE DISEASES

CONSULTING SERVICES – QUALITY AND COST-BASED SELECTION (QCBS)

REDISSE IV-AO/C-048

The Government of the Republic of Angola has received a loan in the amount of USD 60 million, from International Bank for Reconstruction and Development (IBRD) of World Bank Group, for Regional Disease Surveillance Systems Enhancement Project (REDISSE IV) implementation and intends to apply part of the proceeds in the recruitment of an educational institution to implement the national entomological mapping of vector borne diseases in Angola.

The general objective of this consultancy is to contract specialized services that will guarantee successful to establish vector surveillance systems that ensure that there is routine systematic and periodic gathering, analysis, and understanding of entomological data to assess vector borne disease health risk across all provinces of Angola.

The consulting Services are expected to be completed within nine (9) months, after commencement of services, estimated time to finalize the reports for each phase. The detailed Terms of Reference (TOR) can be requested at the e-mail address given below.

The **Regional Disease Surveillance Systems Enhancement Project (REDISSE IV)**, now invites eligible firms/institutions (“Consultants”) to manifest their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services submitting their proposal/portfolio and other supporting documents deemed necessary for the application.

The Consultant/Institution must have the following qualifications: **a.** To be considered, the Institution must demonstrate extensive experience in carrying out field studies in entomology; **b.** The Institution must provide concrete examples of previous projects successfully carried out in countries or regions with entomological profiles similar to those in Angola; **c.** The Institution should highlight its ability to form and manage multidisciplinary teams with diverse expertise to effectively tackle the project's varied entomological challenges, as well as the ability of the team's mobilization to work throughout all 18 provinces of Angola.

Consultants will be evaluated as per the “World Bank’s Procurement Regulations for IPF Borrowers” from September 2023 (“Procurement Regulations”). The attention of interest consultants is drawn to Section III, paragraphs, 3.14, 3.16, and 3.17 of the setting forth the World Bank’s policy on conflict of interest, which can be found at the following website address:

<https://thedocs.worldbank.org/en/doc/6c0602876d68949e80820507d90a14ed-0290012023/original/Procurement-Regulations-September-2023.pdf>

The Consultants will be selected in accordance with the Quality and Cost-Based Selection methods set out in the Procurement Regulations (September 2023).

Further information, including the TOR can be obtained at the address below during office hours at the address given bellow, from Monday to Friday between **8H00 – 15H30 (WAT)**.

Expressions of interest (Proposals, Curricula, copy of academic qualifications certificates, performance evaluation, and other pertinent information) must be sent by email to the address given below, until the **19th of March, 2024 (15H30 WAT Time)**.
